New Years Dinner and Bon Fire!

John Zigler has reserved the Harvest Depot Restaurant in LaPine for those of us who want to celebrate New Years Eve with a prime rib dinner. The cost is \$20 and is one of the best prime rib dinners around.

Dinner will begin between 5-5:30 p.m. Afterwards, we are all invited to join John at his house for our annual bonfire.

Heading South on HWY 97, the Harvest Depot is located near the cen-

ter of LaPine, on the right between the 76 station and Napa. The restaurant needs a head count by Tuesday, so if you plan to come, please post up on the forum thread which is listed under up coming runs.

Hang-over Run!

Speaking of upcoming runs, our annual Hangover Run will be the morning of January the First. We are meeting at the eastside Shell on 27th Street at 9:00 a.m.

The run will be led by our new president, Kemical (Travis).

See you there!!
