

June Meeting Minutes

The July meeting of the Deschutes County 4-Wheelers was held in conjunction with our annual safety inspection at Ron and Carol Houser's house. It was called to order at 5:08 p.m. by President Steve Wrisley. The Secretary's Report was given and motion was made and passed to accept the June minutes as written in the newsletter. The Treasurer's Report was given and a written report was handed out for Groundhog showing some pending debits to the account.

The Delegate's Report was given with the next meeting at Edison July 18th. The campout starts Thursday night with a Friday pre-run, Saturday meeting, run, then potluck, and a Sunday run as well. Jon and Patti Pyland will be representing the club as alternate delegates this meeting.

Run Report's were given and Randy Drake led a run to Corbett. There were two Forest Service personnel present and they were very impressed as we had lots of fun and performed some trail maintenance as well.

Old Business: The Trails Group reported that we are working on a trail in the 370 road area. We will be signing soon and Brian will look into signs and cost for us. There will also be a work party on Friday the 25th of July. Bring gloves and be ready for bugs. Sister's McDonald's 8:30.

Creek n' Trail was a great success. The food was phenomenal and everyone had wonderful things to say about the breakfast as well. Thank you so much to our cooking crew, Jo Ann Anderson and especially Carol Houser for all your hard work.

New Business: Phil White has decided that the club will hold the raffles at every other meeting during the even numbered months so everyone be ready next meeting to buy your raffle tickets. This money goes back into the raffle fund and adds a lot of fun to the meetings.

There will be an auction at Mathilde Morley's house August 2nd starting at 9 a.m. There is a lot of collectibles, automobilia, and something for anyone so come support the family and buy some neat stuff!

Everyone needs all the help they can get so remember to buy local. Many club members have goods and services to offer so if you need anything, ask around and you'll probably find someone to help.

Our next club run is Edison, July 18th at 9 a.m. There is

a run at Rimrock in Washington the first week of August.

The next show-n-shine is August 8th at Pilot Butte Drive-in at 5 p.m. and the next meeting is a potluck at Trick-n-Treat's house @ 19444 Comanche in Deschutes River Woods, 4 p.m. for food and 5 p.m. for the meeting.
