

# MINUTES AND TRAIL NEWS

Deschutes County 4-Wheelers

July 7, 2009

## Edison Campout and Region Run

Deschutes County 4-Wheelers are hosting you at the July 17th PNW4WDA Region 6 Delegate's meeting. Please join us at The Edison Trail.

DC4W are considering a future event centered on this trail. Please join us for a weekend of camping and trails, then submit your ideas and thoughts of the Edison Trail.

The Rendezvous will also be a time to share how each of our clubs' efforts with land managers is working and what is not.

We welcome Region 6 as helpers to evaluate this area and help us in obtaining links to and around Edison.

**Friday Evening:** Show 'n' Shine  
with camping at or near Edison

**Saturday 9:00 a.m.:** Delegate's Meeting

**Saturday Evening:** Pot luck

**Saturday/Sunday:** Trail Runs

*We hope you will attend July's Delegates Meeting July 17-19, 2009.*

ROCKWELL-COOPER-EDWARDS

Consider please, have you ever been on a committee or volunteered for an event? You know then the time, effort and cost of the endeavor. Jon and Patti have put themselves in the spotlight or scope I'm sure they think of many as they work for trails and furthering our favorite sport "wheeling". Two steps forward and one step back as they parlay with the BLM and the USFS. Since their joining the DC4W they have invested their resources open heartedly into trails, trails and more trails. This note is just a thank you from the club hoping you know that we know that what you do is necessary and pertinent and working. "Never tire of doing good."

Thank you Jon and thank you Patti.
